2021 ASSEMBLY BILL 642

October 21, 2021 - Introduced by Representatives CALLAHAN, SWEARINGEN, MURSAU, EDMING, SPIROS and TUSLER, cosponsored by Senators PETROWSKI, FELZKOWSKI, COWLES and NASS. Referred to Committee on Transportation.

AN ACT to amend 348.27 (9) (a) 1. d.; and to create 348.27 (9) (a) 3. i., 348.27 (9) (a) 3. j., 348.27 (9) (a) 3. k., 348.27 (9) (a) 3. L. and 348.27 (9) (a) 3. m. of the statutes; relating to: modifying the permit for certain oversize or overweight vehicles transporting forest products.

Analysis by the Legislative Reference Bureau

Under current law, with limited exceptions, no person may operate on a highway any vehicle or combination of vehicles that exceeds certain statutory limits on size, weight, or load unless that person possesses a permit issued by the Department of Transportation. Currently, DOT may issue an annual or consecutive month permit for an oversize or overweight vehicle to transport loads within 11 miles of the Wisconsin-Michigan state line and on specifically designated highways, if the vehicle does not violate length or weight limitations under Michigan law (commonly known as the Michigan border permit).

This bill adds the following highway segments to the Michigan border permit:
1. STH 64, from USH 45 in the city of Antigo to USH 141 in Marinette County.
2. STH 64, from USH 141 in Marinette County to USH 41 in the city of Marinette.
3. USH 141, from the village of Crivitz to CTH S in Oconto County.
4. USH 41, from the town of Abrams to the city of Marinette.
5. USH 8, from USH 45 in Oneida County to a point four-tenths of a mile west.

The bill also excludes a specific vehicle configuration from eligibility for the Michigan border permit as it pertains to operation on certain designated highways.
