January 21, 2022 - Introduced by Representatives PLUMER, GUNDRUM, KNODL and MURPHY, cosponsored by Senator ROTH. Referred to Committee on Criminal Justice and Public Safety.

AN ACT to create 114.047 of the statutes; relating to: restriction of state or local governmental acquisition, possession, and use of certain drones.

Analysis by the Legislative Reference Bureau

This bill prohibits local governmental units and state agencies from acquiring or, beginning one year after the effective date of the bill, possessing or using drones manufactured or distributed by SZ DJI Technology Co., Ltd.; a subsidiary of, or successor to, SZ DJI Technology Co., Ltd.; or any entity that is determined by the U.S. Department of Justice to be subject to or vulnerable to extrajudicial direction from a foreign government. The bill also requires local governmental units and state agencies to report to the Wisconsin Department of Justice their possession, use, and plan for disposal of these drones. WDOJ must then summarize these reports and provide the summary to the legislature.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
