AN ACT to create 118.07 (6) of the statutes; relating to: reporting to law enforcement certain crimes and other incidents that occur in or on public school buildings and grounds, requiring certain schools to employ armed school resource officers, and allocating federal American Rescue Plan Act of 2021 funding to reimburse schools for costs of employing armed school resource officers.

Analysis by the Legislative Reference Bureau

This bill requires each public school, including a charter school, to report any incident that occurs in a school building or on school grounds to local law enforcement. The bill provides that, if 100 or more incidents occur in and on public school buildings and grounds during a school semester, and at least 25 of those incidents result in an arrest, the school must, no later than the first day of the next school year, employ or contract for the employment of a law enforcement officer as an armed school resource officer (SRO) to work at the school. Under the bill, “incident” is a defined term that includes violations of state and municipal disorderly conduct laws and certain crimes, including homicide, sexual assault, burglary, battery, and arson. However, the bill provides that, for purposes of counting the number of incidents that resulted in arrest, “incident” does not include incidents related to use or possession of alcohol, cigarettes, nicotine, tobacco products, or vaping devices.
The bill also requires the Department of Public Instruction, from the moneys awarded to DPI under the federal American Rescue Plan Act of 2021, to reimburse a school board or the operator of an independent charter school that begins employing or enters into a new contract for the employment of a law enforcement officer as an armed SRO all of the following amounts: 1) 75 percent of the costs associated with the SRO for the 2022–23 school year; 2) 50 percent of the costs associated with the SRO for the 2023–24 school year; and 3) 25 percent of the costs associated with the SRO for the 2024–25 school year.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
