Relating to: recognizing June 2021 as LGBTQ Pride Month.

Whereas, Wisconsin has a committed history of being at the forefront of supporting equality for all its citizens; and

Whereas, in February 1982, Wisconsin made history when Governor Lee Sherman Dreyfus signed the nation’s first state law protecting lesbians and gays from discrimination in employment, housing, and public accommodations; and

Whereas, Wisconsin elected the first openly LGBTQ member of the U.S. Senate, and the Wisconsin state legislature has six openly LGBTQ members; and

Whereas, in June 2014, same-sex couples were legally able to marry in Wisconsin, and the U.S. Supreme Court affirmed the equal right to marriage for same-sex couples in all 50 states in June 2015; and
Whereas, despite these advances, LGBTQ people continue to face discrimination, and LGBTQ youth continue to be at increased risk for bullying, substance abuse, depression, homelessness, and suicide; and

Whereas, June has become a symbolic month in which LGBTQ people and their allies have come together in various celebrations of pride; and

Whereas, recognizing Pride Month will help foster an atmosphere of inclusion, acceptance, and celebration to the community; and

Whereas, LGBTQ individuals, along with their families, friends, and neighbors, will be honoring Pride Month in cities and towns across the state, including Milwaukee, Madison, Green Bay, La Crosse, Beloit, Superior, Racine, and Appleton; and

Whereas, the month-long celebration is an opportunity for all people in the state to affirm their commitment to mutual respect and understanding; now, therefore, be it

Resolved by the assembly, the senate concurring, That the Wisconsin legislature recognizes June 2021 as LGBTQ Pride Month.
