1 **Relating to:** recognizing October 2021 as Careers in Construction Month.

2 Whereas, Careers in Construction Month is a month annually designated to
3 increase public awareness and appreciation of construction craft professionals and
4 the entire construction workforce; and

5 Whereas, the construction industry is one of our nation's largest industries,
6 employing more than five million individuals in the United States; and

7 Whereas, the construction industry needs one million new craft professionals
8 by 2023; and

9 Whereas, Associated Builders & Contractors of Wisconsin Apprenticeship &
10 Training Trust maintains the single largest construction apprenticeship in
11 Wisconsin, currently training more than 1,800 registered apprentices in the
12 construction trades; and

13 Whereas, during this October, employers, associations, and schools are
14 encouraged to conduct job fairs, panel discussions, and local community events to
15 inform students of the vast employment opportunities in construction; and
