2021 ASSEMBLY RESOLUTION 4

January 7, 2021 - Introduced by Representatives Vos and Steineke.

Relating to: condemning political violence.

Whereas, the members of the Wisconsin State Assembly support the people’s right to peacefully assemble and exercise their First Amendment right to freedom of speech; and

Whereas, peaceful political protest has a long and consequential history in this country and has contributed to making the United States of America a better and more just nation; and

Whereas, during this past year violence has erupted during political demonstrations and protests, causing serious harm to persons and the destruction of property; and

Whereas, individuals engaging in violent acts during protests and demonstrations undermine the very political and social causes that they profess to support; and

Whereas, political violence is strongly condemned by all responsible citizens regardless of party affiliation; now, therefore, be it
Resolved by the assembly, That political violence in any form has no place in the American system of government and should never be tolerated.
