RETIREMENT AND GROUP INSURANCE
WRS annuities for critical workers

Under current law, certain people who receive a retirement or disability annuity from the Wisconsin Retirement System and who are hired by an employer that participates in the WRS must suspend that annuity and may not receive a WRS annuity payment until the person is no longer in a WRS-covered position. This suspension applies to a person who 1) has reached his or her normal retirement date; 2) is appointed to a position with a WRS-participating employer, or provides employee services as a contractor to a WRS-participating employer; and 3) is expected to work at least two-thirds of what is considered full-time employment by the Department of Employee Trust Funds.

This bill creates an exception to this suspension if 1) the person is either hired or provides employee services as a contractor in a critical position before the end of the national emergency declared by the U.S. president in response to the 2019 novel coronavirus or June 30, 2021, whichever is earlier; 2) at the time the person initially retires from covered employment with a participating employer, the person does not have an agreement with any participating employer to return to employment; and 3) the person elects to not become a participating employee at the time the person is rehired or enters into a contract after retirement. In other words, the bill allows...
