
AN ACT to amend 6.875 (6) (c) 2. and 12.60 (1) (a); and to create 12.13 (3m) of the statutes; relating to: absentee voting in certain residential care facilities and retirement homes and providing a penalty.

Analysis by the Legislative Reference Bureau

Under current law, a municipal clerk is required, under certain circumstances, to dispatch special voting deputies to a residential care facility or qualified retirement home so that the occupants of the facility or home may cast an absentee ballot in person with the special voting deputies rather than vote in person at the appropriate polling place or request and complete an absentee ballot by mail. Under current law, a retirement home is a facility occupied as a primary residence by 10 or more unrelated individuals. A qualified retirement home is a retirement home that has a significant number of occupants who lack adequate transportation to the polling place, need assistance in voting, are aged 60 or over, or are indefinitely confined.

Under current law, the special voting deputies must arrange with the administrator of the qualified retirement home or residential care facility one or more convenient times to visit the home or facility. The administrator of the home or facility may, upon the request of a relative of an occupant of the home or facility notify the relative of the time or times at which special voting deputies will conduct absentee voting at the home or facility.

This bill requires the administrator to provide notice of the dates and times when the deputies will be visiting the home or facility to the relatives for whom the
home or facility has contact information for each occupant who intends to vote by absentee ballot with the special voting deputies.

The bill also provides that an employee of a qualified retirement home or residential care facility who influences an occupant of the home or facility to apply for or not apply for an absentee ballot or cast or refrain from casting a ballot or influences an occupant’s decision for whom to cast a ballot is guilty of the Class I felony.
