AN ACT to create 5.05 (11m) and 20.510 (1) (f) of the statutes; relating to: aids to counties and municipalities for certain special election costs and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill requires the Elections Commission to reimburse counties and municipalities for certain costs incurred in the administration of special primaries and special elections for state office. Current law defines “state office” as the following: governor, lieutenant governor, secretary of state, state treasurer, attorney general, state superintendent of public instruction, justice of the supreme court, court of appeals judge, circuit court judge, state senator, state representative to the assembly, and district attorney.

A cost is eligible for reimbursement under the bill only if certain conditions are met, including that the Elections Commission determines the cost is reasonable and the rate paid by the county or municipality for the cost does not exceed the rate customarily paid for similar costs at a primary or election that is not a special primary or election. Under the bill, only the following costs are reimbursable:

1. Rental payments for polling places.
2. Election day wages paid to election officials working at the polls.
3. Costs for the publication of required election notices.
4. Printing and postage costs for absentee ballots and envelopes.
5. Costs for the design and printing of ballots and poll books.
6. Purchase of ballot bags or containers, including ties or seals for chain of custody purposes.
SENATE BILL 21

7. Costs to program electronic voting machines.
9. Wages paid to conduct a county canvass.
10. Data entry costs for a statewide voter registration system.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
