AN ACT to create 13.45 (8) of the statutes; relating to: petitions for public hearings on bills.

Analysis by the Legislative Reference Bureau

This bill requires legislative committees to hold public hearings on bills based on petitions signed by individuals qualified to vote in Wisconsin, referred to as “qualified electors” in the statutes.

Under the bill, any qualified elector may petition for a public hearing on any bill. The bill requires that certain information be provided on the petition, including the bill number and analysis of the bill prepared by the Legislative Reference Bureau. Additionally, each qualified elector signing the petition must provide his or her address for purposes of voting. The bill also authorizes use of electronic petitions, which qualified electors may sign electronically. The bill requires the Elections Commission to prescribe the form of the electronic petition.

Each petition under the bill is required to be filed with the Elections Commission, which must then verify that the petition satisfies the bill’s requirements, including that all signers are qualified electors. If the commission determines that a petition for a public hearing on a bill is signed by qualified electors equaling at least 3 percent of the vote cast for the office of governor in the most recent gubernatorial election, the commission must certify the bill for a public hearing and file the certification with the legislature. Within 30 days after the commission files the certification with the legislature, at least one legislative committee having jurisdiction over the bill must hold a public hearing on the bill. The commission may not certify a petition after February 1 of each even-numbered year, as the legislature’s biennial regular session is coming to a close.
SENATE BILL 265

this subsection is valid unless the signer is a qualified elector of this state and the requirements under subd. 1. are met.

3. If a petitioner under this subsection uses an electronic petition in the form prescribed by the commission under subd. 1., once the petition is signed by at least 1,000 qualified electors, the elections commission shall, if requested by the petitioner, post the petition on the commission’s Internet site, allowing qualified electors to sign the petition electronically via the commission’s Internet site.

   (c) 1. If the commission determines that a petition for a public hearing on a bill filed with the commission under par. (b) 2. has been signed by qualified electors equaling at least 3 percent of the vote cast for the office of governor at the last preceding gubernatorial election, the commission shall certify the bill for a public hearing. The commission shall file the certification with the chief clerk of each house of the legislature for distribution to the appropriate standing committees in the manner provided under s. 13.172 (3).

   2. The commission may not certify a petition under subd. 1. after February 1 of each even-numbered year and before the next regular session of the legislature commences, as provided under s. 13.02 (2).
