AN ACT to amend 118.13 (1); and to create 118.132 of the statutes; relating to:

designating athletic sports and teams operated or sponsored by public schools or private schools participating in a parental choice program based on the sex of the participants.

Analysis by the Legislative Reference Bureau

This bill requires each school board, independent charter school, and private school participating in a parental choice program (educational institution) that operates or sponsors an interscholastic, intramural, or club athletic team or sport to designate the athletic team or sport as falling into one of three categories based on the sex of the participating pupils. The three categories are 1) participants who are males, men, or boys; 2) participants who are females, women, or girls; and 3) coed or participants of both sexes. The bill defines “sex” as the sex determined at birth by a physician and reflected on the birth certificate. The bill also requires an educational institution to prohibit a male pupil from participating on an athletic team or in an athletic sport designated for females, women, or girls. Finally, the bill requires the educational institution to notify pupils and parents if an educational institution intends to change a designation for an athletic team or sport.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
