AN ACT to create 20.145 (1) (a) and 601.415 (14) of the statutes; relating to: pharmacy benefits tool grants and making an appropriation.

Analysis by the Legislative Reference Bureau
This bill directs the Office of the Commissioner of Insurance to award grants in an amount of up to $500,000 in each fiscal year to health care providers to develop and implement a tool that would allow prescribers to disclose the cost of prescription drugs for patients. The tool must be usable by physicians and other prescribers to determine the cost of prescription drugs for their patients. Any health care provider that receives a grant to develop and implement a patient pharmacy benefits tool is required to contribute matching funds equal to at least 50 percent of the total grant awarded.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
