***Analysis by the Legislative Reference Bureau***

Under current law, beginning with the property tax assessments as of January 1, 2018, machinery, tools, and patterns, not including those items used in manufacturing, are exempt from the personal property tax. However, beginning in 2019, the state pays each taxing jurisdiction an amount equal to the property taxes levied on those items of personal property for the property tax assessments as of January 1, 2017.

Under the bill, beginning with the property tax assessments as of January 1, 2022, no items of personal property will be subject to the property tax. Beginning in 2023, the state will pay each taxing jurisdiction an additional amount equal to the property taxes levied on the items made exempt under the bill for the property tax assessments as of January 1, 2021. Beginning in 2024, each taxing jurisdiction will receive a payment to compensate it for its loss in personal property revenue equal to the payment it received in the previous year, increased by the annual percentage change in the consumer price index.

Under current law, generally, public utilities, including railroad companies, are subject to a license fee imposed by the state instead of being subject to local property taxes. This bill creates a personal property tax exemption for railroad companies in order to comply with the requirements of the federal Railroad Revitalization and Regulatory Reform Act.

Finally, the bill makes a number of technical changes related to the repeal of the personal property tax, such as providing a process whereby manufacturing

**SENATE BILL 623**

establishments located in this state that do not own real property in this state may continue to claim the manufacturing income tax credit.

Because this bill relates to an exemption from state or local taxes, it may be referred to the Joint Survey Committee on Tax Exemptions for a report to be printed as an appendix to the bill.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

21          for the taxes levied pursuant to such assessment; and the liability of such owner may  
22          be enforced in a personal action as for a debt. Such action may be brought in the name  
23          of the town, city or village in which such assessment was made, if commenced before  
24          the time fixed by law for the return of delinquent taxes, by direction of the treasurer

1 be brought in the name of the county or other municipality to the treasurer or other  
2 officer of which such return shall be made, by direction of such treasurer or other

10 the defendant was the owner of such property at the time as of which the assessment  
11 thereof was made, and that such tax remains unpaid in whole or in part, and the  
12 amount remaining unpaid. The proceedings in such actions and for enforcement of

19 justice and regularity thereof; and the same, with proof of the ownership of such  
20 property by the defendant at the time as of which the assessment was made and of  
21 the nonpayment of such tax, shall be sufficient to establish the liability of the  
22 defendant. Such liability shall not be affected and such action shall not be defeated  
23 by any omission or irregularity in the assessment or tax proceedings not affecting the  
24 substantial justice and equity of the tax. The provisions of this section shall not

18 tax title procedures without noting the correct metes and bounds of the same, or  
19 when such gross errors exist in lot measurements or locations that difficulty is  
20 encountered in locating new structures, public utilities, or streets, such governing  
21 body may cause a plat to be made for such purposes. Such plat shall be called  
22 “assessor’s plat,” and shall plainly define the applicable boundary of each parcel,  
23 building, improvement, and fixture, and each street, alley, lane, or roadway, or  
24 dedication to public or special use, as such is evidenced by the records of the register  
25 of deeds or a court of record. Such plats in cities may be ordered by the city council,

**SENATE BILL 623**

1 in villages by the village board, in towns by the town board, or the county board. A  
2 plat or part of a plat included in an assessor's plat shall be deemed vacated to the  
3 extent it is included in or altered by an assessor's plat. The actual and necessary  
4 costs and expenses of making assessors' plats shall be paid out of the treasury of the  
5 city, village, town, or county whose governing body ordered the plat, and all or any  
6 part of such cost may be charged to the land property, without inclusion of  
7 improvements, so platted in the proportion that the last assessed valuation of each  
8 parcel bears to the last assessed total valuation of all lands property included in the  
9 assessor's plat, and collected as a special assessment on such land property, as  
10 provided by s. 66.0703.

11 **SECTION 39.** 70.27 (3) (a) of the statutes is amended to read:

14 deemed sufficient for purposes of assessment and taxation. Conveyance may be  
15 made by reference to such plat and shall be as effective to pass title to the land so  
16 described as it would be if the same premises had been described by metes and  
17 bounds. Such plat or record thereof shall be received in evidence in all courts and  
18 places as correctly describing the several parcels of land or land and the buildings,  
19 improvements, and fixtures on that land therein designated. After an assessor's plat  
20 has been made and recorded with the register of deeds as provided by this section,  
21 all conveyances of lands or land and the buildings, improvements, and fixtures on  
22 that land included in such assessor's plat shall be by reference to such plat. Any  
23 instrument dated and acknowledged after September 1, 1955, purporting to convey,

3 **SECTION 40.** 70.27 (4) of the statutes is amended to read:

4 70.27 (4) AMENDMENTS. Amendments or corrections to an assessor's plat may  
5 be made at any time by the governing body by recording with the register of deeds  
6 a plat of the area affected by such amendment or correction, made and authenticated  
7 as provided by this section. It shall not be necessary to refer to any amendment of  
8 the plat, but all assessments or instruments wherein any parcel of land is or land and  
9 the buildings, improvements, and fixtures on that land are described as being in an  
10 assessor's plat, shall be construed to mean the assessor's plat of lands or land and  
11 the buildings, improvements, and fixtures on that land with its amendments or  
12 corrections as it stood on the date of making such assessment or instrument, or such  
13 plats may be identified by number. This subsection does not prohibit the division of  
14 lands or land and the buildings, improvements, and fixtures on that land that are  
15 included in an assessor's plat by subdivision plat, as provided in s. 236.03, or by

21 roadway, or dedication to public or private use, according to the records of the register  
22 of deeds, and whatever evidence that may be available to show the intent of the buyer  
23 and seller, in the chronological order of their conveyance or dedication, and set  
24 temporary monuments to show the results of such survey which shall be made  
25 permanent upon recording of the plat as provided for in this section. The map shall

**SENATE BILL 623**

1 be at a scale of not more than 100 feet per inch, unless waived in writing by the  
2 department of administration under s. 236.20 (2) (L). The owners of record of lands  
3 or the land and the buildings, improvements, and fixtures on that land in the plat  
4 shall be notified by certified letter mailed to their last-known addresses, in order  
5 that they shall have opportunity to examine the map, view the temporary  
6 monuments, and make known any disagreement with the boundaries as shown by  
7 the temporary monuments. It is the duty of the professional land surveyor making  
8 the plat to reconcile any discrepancies that may be revealed so that the plat as  
9 certified to the governing body is in conformity with the records of the register of  
10 deeds as nearly as is practicable. When boundary lines between adjacent parcels, as  
11 evidenced on the ground, are mutually agreed to in writing by the owners of record,  
12 those lines shall be the true boundaries for all purposes thereafter, even though they  
13 may vary from the metes and bounds descriptions previously of record. Such written  
14 agreements shall be recorded in the office of the register of deeds. On every assessor's  
15 plat, as certified to the governing body, shall appear the document number of the  
16 record and, if given on the record, the volume and page where the record is recorded  
17 for the record that contains the metes and bounds description of each parcel, as  
18 recorded in the office of the register of deeds, which shall be identified with the  
19 number by which such parcel is designated on the plat, except that a lot that has been  
20 conveyed or otherwise acquired but upon which no deed is recorded in the office of  
21 register of deeds may be shown on an assessor's plat and when so shown shall contain  
22 a full metes and bounds description.

3 other personal property or any other thing of value liable to taxation, the assessor  
4 shall add to such aggregate valuation of personal property an amount which, in the  
5 assessor's judgment, will render such aggregate valuation a just and equitable  
6 valuation of all the personal property liable to taxation belonging to such person. In  
7 carrying out the duties imposed on the assessor by this section, the assessor shall act  
8 in the manner specified in the Wisconsin property assessment manual provided

15 assessor in determining the true relationship between real estate and personal  
16 property the department of revenue shall make available to local assessors  
17 information including figures indicating the relationship between personal property
