Analysis by the Legislative Reference Bureau

Under current law, beginning with the property tax assessments as of January 1, 2018, machinery, tools, and patterns, not including those items used in manufacturing, are exempt from the personal property tax. However, beginning in 2019, the state pays each taxing jurisdiction an amount equal to the property taxes levied on those items of personal property for the property tax assessments as of January 1, 2017.

Under the bill, beginning with the property tax assessments as of January 1, 2022, no items of personal property will be subject to the property tax. Beginning in 2023, the state will pay each taxing jurisdiction an additional amount equal to the property taxes levied on the items made exempt under the bill for the property tax assessments as of January 1, 2021. Beginning in 2024, each taxing jurisdiction will receive a payment to compensate it for its loss in personal property revenue equal to the payment it received in the previous year, increased by the annual percentage change in the consumer price index.

Under current law, generally, public utilities, including railroad companies, are subject to a license fee imposed by the state instead of being subject to local property taxes. This bill creates a personal property tax exemption for railroad companies in order to comply with the requirements of the federal Railroad Revitalization and Regulatory Reform Act.

Finally, the bill makes a number of technical changes related to the repeal of the personal property tax, such as providing a process whereby manufacturing
establishments located in this state that do not own real property in this state may continue to claim the manufacturing income tax credit.

Because this bill relates to an exemption from state or local taxes, it may be referred to the Joint Survey Committee on Tax Exemptions for a report to be printed as an appendix to the bill.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

be brought in the name of the county or other municipality to the treasurer or other 
officer of which such return shall be made, by direction of such treasurer or other

thereof was made, and that such tax remains unpaid in whole or in part, and the 
amount remaining unpaid. The proceedings in such actions and for enforcement of 
the judgment obtained therein shall be the same as in ordinary actions for debt as

the nonpayment of such tax, shall be sufficient to establish the liability of the 
defendant. Such liability shall not be affected and such action shall not be defeated 
by any omission or irregularity in the assessment or tax proceedings not affecting the 
substantial justice and equity of the tax. The provisions of this section shall not

In case there are 2 or more personal representatives or trustees of the same estate residing in this state, but in different taxation districts, the assessment of the taxable personal property belonging to the estate shall be in the
names of all of the personal representatives or trustees of the estate residing in this state. In case no personal representative or trustee resides in this state, the taxable personal property belonging to the estate may be assessed in the name of the personal representative or trustee, or in the names of all of the personal representatives or trustees if there are more than one, or in the name of the estate.

SECTION 37. 70.22 (2) (a) of the statutes is amended to read:

70.22 (2) (a) The For taxes levied before January 1, 2022, the taxes imposed pursuant to an assessment under sub. (1) may be enforced as a claim against the estate, upon presentation of a claim for the taxes by the treasurer of the taxation district to the court in which the proceedings for the probate of the estate are pending. Upon due proof, the court shall allow and order the claim to be paid.

SECTION 38. 70.27 (1) of the statutes is amended to read:

70.27 (1) WHO MAY ORDER. Whenever any area of platted or unplatted land is or land and the buildings, improvements, and fixtures on that land are owned by 2 or more persons in severalty, and when in the judgment of the governing body having jurisdiction, the description of one or more of the different parcels thereof cannot be made sufficiently certain and accurate for the purposes of assessment, taxation, or tax title procedures without noting the correct metes and bounds of the same, or when such gross errors exist in lot measurements or locations that difficulty is encountered in locating new structures, public utilities, or streets, such governing body may cause a plat to be made for such purposes. Such plat shall be called “assessor’s plat,” and shall plainly define the applicable boundary of each parcel, building, improvement, and fixture, and each street, alley, lane, or roadway, or dedication to public or special use, as such is evidenced by the records of the register of deeds or a court of record. Such plats in cities may be ordered by the city council,
in villages by the village board, in towns by the town board, or the county board. A plat or part of a plat included in an assessor’s plat shall be deemed vacated to the extent it is included in or altered by an assessor’s plat. The actual and necessary costs and expenses of making assessors’ plats shall be paid out of the treasury of the city, village, town, or county whose governing body ordered the plat, and all or any part of such cost may be charged to the land property, without inclusion of improvements, so platted in the proportion that the last assessed valuation of each parcel bears to the last assessed total valuation of all land property included in the assessor’s plat, and collected as a special assessment on such land property, as provided by s. 66.0703.

**SECTION 39.** 70.27 (3) (a) of the statutes is amended to read:

70.27 (3) (a) Reference to any land, or land and the buildings, improvements, and fixtures on that land as it the reference appears on a recorded assessor’s plat is deemed sufficient for purposes of assessment and taxation. Conveyance may be made by reference to such plat and shall be as effective to pass title to the land so described as it would be if the same premises had been described by metes and bounds. Such plat or record thereof shall be received in evidence in all courts and places as correctly describing the several parcels of land or land and the buildings, improvements, and fixtures on that land therein designated. After an assessor’s plat has been made and recorded with the register of deeds as provided by this section, all conveyances of lands or land and the buildings, improvements, and fixtures on that land included in such assessor’s plat shall be by reference to such plat. Any instrument dated and acknowledged after September 1, 1955, purporting to convey, mortgage, or otherwise give notice of an interest in land or land and the buildings,
improvements, and fixtures on that land that is within or part of an assessor’s plat shall describe the affected land by the name of the assessor’s plat, lot, block, or outlot.

**SECTION 40.** 70.27 (4) of the statutes is amended to read:

70.27 (4) AMENDMENTS. Amendments or corrections to an assessor’s plat may be made at any time by the governing body by recording with the register of deeds a plat of the area affected by such amendment or correction, made and authenticated as provided by this section. It shall not be necessary to refer to any amendment of the plat, but all assessments or instruments wherein any parcel of land is or land and the buildings, improvements, and fixtures on that land are described as being in an assessor’s plat, shall be construed to mean the assessor’s plat of lands or land and the buildings, improvements, and fixtures on that land with its amendments or corrections as it stood on the date of making such assessment or instrument, or such plats may be identified by number. This subsection does not prohibit the division of lands or land and the buildings, improvements, and fixtures on that land that are included in an assessor’s plat by subdivision plat, as provided in s. 236.03, or by certified survey map, as provided in s. 236.34.

**SECTION 41.** 70.27 (5) of the statutes is amended to read:

70.27 (5) SURVEYS, RECONCILIATIONS. The surveyor making the plat shall be a professional land surveyor licensed under ch. 443 and shall survey and lay out the boundaries of each parcel, building, improvement, fixture, street, alley, lane, roadway, or dedication to public or private use, according to the records of the register of deeds, and whatever evidence that may be available to show the intent of the buyer and seller, in the chronological order of their conveyance or dedication, and set temporary monuments to show the results of such survey which shall be made permanent upon recording of the plat as provided for in this section. The map shall
be at a scale of not more than 100 feet per inch, unless waived in writing by the
department of administration under s. 236.20 (2) (L). The owners of record of lands
or the land and the buildings, improvements, and fixtures on that land in the plat
shall be notified by certified letter mailed to their last-known addresses, in order
that they shall have opportunity to examine the map, view the temporary
monuments, and make known any disagreement with the boundaries as shown by
the temporary monuments. It is the duty of the professional land surveyor making
the plat to reconcile any discrepancies that may be revealed so that the plat as
certified to the governing body is in conformity with the records of the register of
deeds as nearly as is practicable. When boundary lines between adjacent parcels, as
evidenced on the ground, are mutually agreed to in writing by the owners of record,
those lines shall be the true boundaries for all purposes thereafter, even though they
may vary from the metes and bounds descriptions previously of record. Such written
agreements shall be recorded in the office of the register of deeds. On every assessor’s
plat, as certified to the governing body, shall appear the document number of the
record and, if given on the record, the volume and page where the record is recorded
for the record that contains the metes and bounds description of each parcel, as
recorded in the office of the register of deeds, which shall be identified with the
number by which such parcel is designated on the plat, except that a lot that has been
conveyed or otherwise acquired but upon which no deed is recorded in the office of
register of deeds may be shown on an assessor’s plat and when so shown shall contain
a full metes and bounds description.

**SECTION 42.** 70.27 (7) (b) of the statutes is amended to read:

70.27 (7) (b) A clear and concise description of the land or the land and the

valuation thereof separately; otherwise the assessor shall arrange all names of
persons assessed for personal property on the roll alphabetically so far as convenient.
The assessor shall also place upon the assessment roll, in a separate column and

upon actual view at their true cash value; and after arriving at the total valuation
of all articles of personal property which the assessor shall be able to discover as
belonging to any person, if the assessor has reason to believe that such person has
other personal property or any other thing of value liable to taxation, the assessor
shall add to such aggregate valuation of personal property an amount which, in the
assessor’s judgment, will render such aggregate valuation a just and equitable
valuation of all the personal property liable to taxation belonging to such person. In
carrying out the duties imposed on the assessor by this section, the assessor shall act
in the manner specified in the Wisconsin property assessment manual provided
under s. 73.03 (2a).

SECTION 46. 70.345 of the statutes is amended to read:

70.345 Legislative intent; department of revenue to supply
information. The For assessments made before January 1, 2022, the assessor shall
exercise particular care so that personal property as a class on the assessment rolls
bears the same relation to statutory value as real property as a class. To assist the
assessor in determining the true relationship between real estate and personal
property the department of revenue shall make available to local assessors
information including figures indicating the relationship between personal property
and real property on the last assessment rolls.

be made and all the information therein requested given by such person on a form
prescribed by the assessor with the approval of the department of revenue which
shall provide suitable schedules for such information bearing on value as the
department deems necessary to enable the assessor to determine the true cash value
of the taxable personal property that is owned or in the possession of such person on
January 1 as provided in s. 70.10. The return may contain methods of deriving
assessable values from book values and for the conversion of book values to present

The clerk shall add to the roll any parcel of real property not listed on the assessment roll or item of personal property omitted from the roll and immediately notify the assessors of the additions and omissions. The assessors shall immediately view and value the omitted property and certify the valuation to the clerk. The clerk shall enter the valuation and property classification on the roll, and the valuation shall be final. To enable the clerk to properly correct defective descriptions, the clerk may request aid, when necessary, from the county surveyor, whose fees for the services rendered shall be paid by the city, village, or town.

assessor and all parties interested, if the parties are residents of the county, by notice
in writing to appear at the clerk’s office at some time, not less than 5 days thereafter,
to correct the assessment roll.

apportionment of taxes in such district next following the completion of said
reassessment in the following manner: Each tract of real estate, and, as to personal
property assessments made before January 1, 2022, each taxpayer, whose tax shall
be determined by such reassessment to have been relatively too high, shall be
credited a sum equal to the amount of taxes charged on the original assessment in
excess of the amount which would have been charged had such reassessment been
made in time; and each tract of real estate, and, as to personal property assessments
made before January 1, 2022, each taxpayer, whose tax shall be determined by such
reassessment to have been relatively too low, shall be charged, in addition to all other
taxes, a sum equal to the difference between the amount of taxes charged upon such
unequal original assessment and the amount which would have been charged had
such reassessment been made in time. The department of revenue, or its authorized
agent, shall at any time have access to all assessment and tax rolls herein referred
to for the purpose of assisting the local clerk and in order that the results of the
reassessment may be carried into effect.

**SECTION 67.** 70.855 (1) (intro.) of the statutes is amended to read:

70.855 (1) **APPLICABILITY.** (intro.) The department of revenue shall assess real

of the following apply:

**SECTION 68.** 70.855 (1) (a) of the statutes is amended to read:

70.855 (1) (a) The property owner and the governing body of the municipality
where the property is located submit a written request to the department on or before
March 1 of the year of the assessment to have the department assess the property owner’s real and personal commercial property located in the municipality.

**SECTION 69.** 70.855 (1) (b) of the statutes is amended to read:

70.855 (1) (b) The written request submitted under par. (a) specifies the items of personal property and parcels of real property for the department’s assessment.

**SECTION 70.** 70.995 (1) (a) of the statutes is amended to read:

70.995 (1) (a) In this section “manufacturing property” includes all lands, buildings, structures and other real property as defined in s. 70.03, used in manufacturing, assembling, processing, fabricating, making or milling tangible personal property for profit. Manufacturing property also includes warehouses, storage facilities, and office structures when the predominant use of the warehouses, storage facilities, or offices is in support of the manufacturing property, and all personal property owned or used by any person engaged in this state in any of the activities mentioned, and used in the activity, including raw materials, supplies, machinery, equipment, work in process and finished inventory when located at the site of the activity production process, as defined in s. 70.11 (27) (a) 5.

Establishments engaged in assembling component parts of manufactured products are considered manufacturing establishments if the new product is neither a structure nor other fixed improvement. Materials processed by a manufacturing establishment include products of agriculture, forestry, fishing, mining, and quarrying. For the purposes of this section, establishments which engage in mining metalliferous minerals are considered manufacturing establishments.

**SECTION 71.** 70.995 (3) of the statutes is amended to read:

70.995 (3) For purposes of subs. (1) and (2) “manufacturing, assembling, processing, fabricating, making or milling” includes the entire productive process
and includes such activities as the storage of raw materials, the movement thereof
to the first operation thereon, and the packaging, bottling, crating, or similar
preparation of products for shipment when located at the site of the production
process, as defined in s. 70.11 (27) (a) 5.

SECTION 72. 70.995 (4) of the statutes is amended to read:

70.995 (4) Whenever real property or tangible personal property is used for
one, or some combination, of the processes mentioned in sub. (3) and also for other
purposes, the department of revenue, if satisfied that there is substantial use in one
or some combination of such processes, may assess the property under this section.
For all purposes of this section the department of revenue shall have sole discretion
for the determination of what is substantial use and what description of real property
or what unit of tangible personal property shall constitute “the property” to be
included for assessment purposes, and, in connection herewith, the department may
include in a real property unit, real property owned by different persons. Vacant
property designed for use in manufacturing, assembling, processing, fabricating,
making, or milling tangible property for profit may be assessed under this section or
under s. 70.32 (1), and the period of vacancy may not be the sole ground for making
that determination. In those specific instances where a portion of a description of
real property includes manufacturing property rented or leased and operated by a
separate person which does not satisfy the substantial use qualification for the entire
property, the local assessor shall assess the entire real property description and all
personal property not exempt under s. 70.11 (27). The applicable portions of the
standard-manufacturing-property-report-form under sub. (12) as they relate to
manufacturing machinery and equipment shall be submitted by such person.

SECTION 73. 70.995 (5) of the statutes is amended to read:
70.995 (5) The department of revenue shall assess all property of manufacturing establishments included under subs. (1) and (2) as of the close of January 1 of each year, if on or before March 1 of that year the department has classified the property as manufacturing or the owner of the property has requested, in writing, that the department make such a classification and the department later does so. A change in ownership, location, or name of the manufacturing establishment does not necessitate a new request. In assessing lands from which metalliferous minerals are being extracted and valued for purposes of the tax under s. 70.375, the value of the metalliferous mineral content of such lands shall be excluded.

SECTION 74. 70.995 (5n) of the statutes is created to read:

70.995 (5n) (a) If the department of revenue determines that an establishment is engaged in manufacturing, as defined in subs. (1), (2), and (3), the department may classify the establishment as manufacturing. The establishment shall submit a written request on or before July 1 of the year for which classification is desired, as provided under s. 71.07 (5n) (a) 9. c. or 71.28 (5n) (a) 9. c.

(b) The department may at any time investigate or audit requests submitted under par. (a) and may revoke a classification. An establishment that submits a request under par. (a) shall notify the department within 60 days of any termination of manufacturing activity.

(c) On or before December 31 of the year in which a request is timely submitted under par. (a), the department shall issue a notice of determination responding to the timely request. The department may, in its sole discretion, issue a notice of determination by December 31 for requests received after July 1 of the year in which classification is desired. The notice shall be in writing and shall be sent by 1st class
mail or electronic mail. In addition, the notice shall specify that objections to the
decision shall be filed with the state board of assessors no later than 60 days after
the date of the notice, that a fee of $200 shall be paid when the objection is filed, and
that the objection is not filed until the fee is paid.

(d) For purposes of this subsection, an objection is considered timely filed if
received by the state board of assessors no later than 60 days after the date of the
notice or sent to the state board of assessors by U.S. postal service certified mail in
a properly addressed envelope, with postage paid, that is postmarked before
midnight of the last day for filing. Neither the board nor the tax appeals commission
may waive the requirement that objections be in writing.

(e) The state board of assessors shall investigate any timely objection filed
under par. (d) if the fee specified under par. (c) is paid. The board shall notify the
person objecting or the person’s agent of its determination by 1st class mail or
electronic mail.

(f) If a determination of the state board of assessors under par. (e) results in an
establishment not being classified as manufacturing, the person having been
notified of the determination shall be deemed to have accepted the determination
unless the person files a petition for review with the clerk of the tax appeals
commission, as provided under s. 73.01 (5) and the rules of practice of the tax appeals
commission.

**Section 75.** 70.995 (7) (b) of the statutes is amended to read:

70.995 (7) (b) Each 5 years, or more frequently if the department of revenue’s
workload permits and if in the department’s judgment it is desirable, the department
of revenue shall complete a field investigation or on-site appraisal at full value under
ss. s. 70.32 (1) and 70.34 of all manufacturing real property in this state.
SECTION 76. 70.995 (8) (b) 1. of the statutes is amended to read:

70.995 (8) (b) 1. The department of revenue shall annually notify each manufacturer assessed under this section and the municipality in which the manufacturing property is located of the full value of all real and personal property owned by the manufacturer. The notice shall be in writing and shall be sent by 1st class mail or electronic mail. In addition, the notice shall specify that objections to valuation, amount, or taxability must be filed with the state board of assessors no later than 60 days after the date of the notice of assessment, that objections to a change from assessment under this section to assessment under s. 70.32 (1) must be filed no later than 60 days after the date of the notice, that the fee under par. This subdivision does not apply if the claimant’s entire qualified production activities income results from the sale of tangible personal property that was manufactured, produced, grown, or extracted wholly in this state by the claimant.

SECTION 94. 71.52 (7) of the statutes is amended to read:

71.52 (7) “Property taxes accrued” means real or personal property taxes or monthly municipal permit fees under s. 66.0435 (3) (c), exclusive of special assessments, delinquent interest and charges for service, levied on a homestead
owned by the claimant or a member of the claimant’s household. “Real or personal property taxes” means those levied under ch. 70, less the tax credit, if any, afforded in respect of such property by s. 79.10. If a homestead is owned by 2 or more persons or entities as joint tenants or tenants in common or is owned as marital property or survivorship marital property and one or more such persons, entities or owners is not a member of the claimant’s household, property taxes accrued is that part of property taxes accrued levied on such homestead, reduced by the tax credit under s. 79.10, that reflects the ownership percentage of the claimant and the claimant’s household, except that if a homestead is owned by 2 or more natural persons or if 2 or more natural persons have an interest in a homestead, one or more of whom is not a member of the claimant’s household, and the claimant has a present interest, as that term is used in s. 700.03 (1), in the homestead and is required by the terms of a will that transferred the homestead or interest in the homestead to the claimant to pay the entire amount of property taxes levied on the homestead, property taxes accrued is property taxes accrued levied on such homestead, reduced by the tax credit under s. 79.10. A marital property agreement or unilateral statement under ch. 766 has no effect in computing property taxes accrued for a person whose homestead is not the same as the homestead of that person’s spouse. For purposes of this subsection, property taxes are “levied” when the tax roll is delivered to the local treasurer for collection. If a homestead is sold or purchased during the calendar year of the levy, the property taxes accrued for the seller and the buyer are the amount of the tax levy prorated to each in proportion to the periods of time each both owned and occupied the homestead during the year to which the claim relates. The seller may use the closing agreement pertaining to the sale of the homestead, the property tax bill for the year before the year to which the claim relates or the property tax bill for the year
to which the claim relates as the basis for computing property taxes accrued, but
those taxes are allowable only for the portion of the year during which the seller
owned and occupied the sold homestead. If a household owns and occupies 2 or more
homesteads in the same calendar year, property taxes accrued is the sum of the
prorated property taxes accrued attributable to the household for each of such
homesteads. If the household owns and occupies the homestead for part of the
calendar year and rents a homestead for part of the calendar year, it may include both
the proration of taxes on the homestead owned and rent constituting property taxes
accrued with respect to the months the homestead is rented in computing the amount
of the claim under s. 71.54 (1). If a homestead is an integral part of a multipurpose
or multidwelling building, property taxes accrued are the percentage of the property
taxes accrued on that part of the multipurpose or multidwelling building occupied
by the household as a principal residence plus that same percentage of the property
taxes accrued on the land surrounding it, not exceeding one acre, that is reasonably
necessary for use of the multipurpose or multidwelling building as a principal
residence, except as the limitations of s. 71.54 (2) (b) apply. If the homestead is part
of a farm, property taxes accrued are the property taxes accrued on up to 120 acres
of the land contiguous to the claimant’s principal residence and include the property
taxes accrued on all improvements to real property located on such land, except as
the limitations of s. 71.54 (2) (b) apply.

to the petition required by rule adopted by the commission and shall serve one copy

(12) (a), 1993 stats., or s. 76.39 (4) (c) or 76.48 may file a petition with the commission
within the time and in the manner provided for the filing of petitions in income or
franchise tax cases. Such papers may be served as a circuit court summons is served
