associated with the student’s enrollment in a program at the UW institution or
technical college if all of the following apply: 1) the UW institution or technical
college requires the student to be vaccinated against COVID-19 as a condition of
participation in the program; 2) the UW institution or technical college refuses an
exemption for the student to this requirement to accommodate the student’s
sincerely held religious beliefs or personal convictions; and 3) the UW institution or
technical college prohibits the student from participation in the program because of
the student’s failure to be vaccinated against COVID-19 and the student’s
