1 AN ACT to amend 118.40 (2m) (a) and 118.40 (3) (a) of the statutes; relating to:
2 high-performing charter schools authorized by school boards.

Analysis by the Legislative Reference Bureau

Under current law, a school board, the Office of Educational Opportunity in the UW System (OEO), the City of Milwaukee, the chancellor of an institution in the UW System, a technical college district board, the county executive of Waukesha County, the college of Menominee Nation, and the Lac Courte Oreilles Ojibwa community college may contract with a person to operate a charter school. Those entities are commonly referred to as charter school authorizers.

This bill provides that a contract to operate a charter school between a school board and a charter school governing board must allow the governing board to open additional charter schools if all of the charter schools operated by the governing board are in one of the top two performance categories on the Department of Public Instruction’s most recent school and school district accountability report.

Current law requires that a contract between a charter school governing body and an authorizer other than a school board or the OEO must include such a provision.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
