Fiscal Estimate Narratives

Description the Minnesota-Wisconsin tuition reciprocity agreement and making an appropriation					

Assumptions Used in Arriving at Fiscal Estimate

There are some concerns with this bill - WI does charge out of state tuition at their technical schools, however Minnesota does not.

Under the reciprocity agreement there is to be a four-year grandfather clause - "Should either state desire to make changes to the agreement or conditions contained in the annual administrative memorandum, that state must send to the other state's administrating agency, in writing and by certified mail, a detailed listing of proposed changes and a rationale for why these changes are being sought. Both parties must then meet within 60 days of receipt of this letter. This agreement may be canceled by either state with four years advance notice of intent to terminate. Such notice must be provided in writing, and by certified mail, to the head of the respective administrating agency by July 1 in order to initiate the four-year period for shut down activities. Should either state notify the other of an intent to terminate the agreement, the last annual administrative memorandum agreed to by both states will be the controlling policy document during the term of the shut down period, except for annual changes which may need to be made to accurately reflect prevailing tuition charges for the four year shut down period."
