### Assumptions Used in Arriving at Fiscal Estimate

Under the bill, the Department of Corrections (DOC) would be required to offer training on rental readiness that would result in a certification of rental readiness to pre-release reentry participants. The bill further authorizes DOC to consult with the Wisconsin Housing and Economic Development Authority (WHEDA), city or county landlord-tenant training agencies, or other parties to develop criteria for successful completion of training.

The Department's pre-release curriculum does not currently include rental readiness or certification of such and would need to be developed along with criteria for successful completion. Depending on developed curriculum and completion criteria there could be additional resources needed to provide rental-specific training.

Without knowing the specific curriculum and potential resources needed to provide programming it is not possible to determine the fiscal impact of this bill.
