Assumptions Used in Arriving at Fiscal Estimate

The fiscal effect of this bill is indeterminate. A new category of licensure may result in increased workload for DCF licensing staff, although this increase may be absorbed at current staffing levels. The proposed change does not impact the determination of Wisconsin Shares subsidy amounts or quality incentive payments based on provider type or size.

There is an indeterminate fiscal effect for administrative changes. It is likely that there will be IT costs associated with systems changes.

DCF receives no additional funding under this bill.

Long-Range Fiscal Implications
