<b>Description</b> local minimum wage ordinances		

**Assumptions Used in Arriving at Fiscal Estimate**

This bill repeals s. 104.001, which makes minimum wage a statewide concern and prohibits a city, village, town, or county from enacting and administering an ordinance establishing a minimum wage different from the statewide minimum wage.

The local fiscal effect is indeterminate at this time.

Wisconsin's minimum wage levels are defined in statute. Under this bill, local governments will have the option to implement local minimum wage ordinances to increase minimum wage levels. The number of local governments that would enact local ordinances, and the costs associated with their enforcement of those local ordinances, cannot be determined by the department at this time.

**Long-Range Fiscal Implications**
