Assumptions Used in Arriving at Fiscal Estimate

With some exceptions, current law prohibits cities, villages, towns, counties, and school districts from requiring, as a condition of employment, that any nonelective employee or prospective employee reside within any jurisdictional limits. The bill repeals this prohibition.

The fiscal estimate is indeterminate as the department does not have data to estimate the bill's potential fiscal effects. Wisconsin averaged 277,000 local government employees through November 2023.

The department does not have any administrative costs.
