**Fiscal Estimate Narratives**

**DNR 3/6/2024**

LRB Number <b>23-5924/1</b>	Introduction Number <b>SB-1073</b>	Estimate Type <b>Original</b>
<b>Description</b> requiring paint manufacturers to administer paint collection programs, granting rule-making authority, and making an appropriation		

**Assumptions Used in Arriving at Fiscal Estimate**

The bill requires paint manufacturers to operate a program to collect used paint. Under the bill, no manufacturer or paint retailer may sell paint in this state unless the manufacturer is operating under a paint stewardship plan that has been approved by the Department of Natural Resources (DNR).

The bill also requires DNR to maintain a website that lists the names of manufacturers with approved plans and the brands of paint covered by an approved paint stewardship plan and includes copies of all annual reports submitted by manufacturers with approved paint stewardship plans.

**Fiscal Impact**

The department estimates that 0.5 FTE would be required to administer and monitor a paint collection program. The position would be responsible for duties such as plan review, providing technical assistance and answering public questions, monitoring fees, and providing public notice and outreach materials. The estimated annual cost of the half-time position, classified as a Waste Management Specialist, would be \$58,000 (\$56/hour salary and fringe \* 2080 hours x 50%).

The 0.5 FTE would be reallocated from within DNR's Waste & Material Management Program and would be funded from fees paid by paint manufacturers that would be remitted to the department via a new, sum sufficient appropriation.

**Long-Range Fiscal Implications**

## Fiscal Estimate Worksheet - 2023 Session

Detailed Estimate of Annual Fiscal Effect
