### Assumptions Used in Arriving at Fiscal Estimate

This bill prohibits a health insurance policy, plan, or contract from excluding or refusing to cover services provided by an athletic trainer within the scope of the athletic trainer's license if the policy, plan, or contract covers those services when provided by another type of health care provider. The bill also amends the definition of "physical activity" for purposes of defining the scope of athletic training to mean participation in exercise, sports, games, recreation, wellness, fitness, or employment activities.

At this time, OCI cannot determine whether this legislation will have a fiscal effect on agency resources or staff time.

### Long-Range Fiscal Implications

None.
