Description exempting personal property from the tax imposed on telephone companies		

Assumptions Used in Arriving at Fiscal Estimate

Beginning with 2023 assessments, the bill exempts from the tax on a telephone company the company's tangible personal property.

Based on 2022 tax assessments, tangible personal property represented \$2.75 billion (90 percent) of the total \$3.07 billion assessment. Under current law, the department estimates telephone tax revenues of \$38.29 million in FY 2024 and \$35.34 million in FY 2025. Under the bill, telephone tax revenues are estimated at \$-20.85 million in FY 2024, due to estimated taxes made toward 2023 assessments, and \$4.57 million in FY 2025.

The department cannot absorb \$22,700 in one-time administrative costs for computer programming changes.
