Description grants to prevent suicide by firearm and making an appropriation					

Assumptions Used in Arriving at Fiscal Estimate

This bill creates a new appropriation, s. 20.435 (5)(eh), to provide \$150,000 GPR biennially for grants related to preventing suicide by firearm. The bill directs the Department to allocate the grants under Wisc. Stat. 51.73. However, s. 51.73 does not exist under current law. Separate legislation would be needed to implement the provisions of this bill.

Both Assembly Bill 173 and Senate Bill 205, as introduced, also provide \$150,000 GPR biennially for grants related to preventing suicide by firearm and also create s. 51.73. If s. 51.73 were created as provided under AB173/SB205, the fiscal effect on the Department would be the same for this bill as for those bills. In the fiscal estimates for AB 173 and SB 205, the Department indicated it would need 1.0 FTE Human Services Program Coordinator position at a cost of \$88,800 GPR in FY 24 and \$86,300 GPR in FY 25.

In summary, to implement this bill the Department would need additional statutory authority within s. 51.73, as well as \$163,800 GPR in FY 24 and \$161,300 GPR in FY 25.

Long-Range Fiscal Implications
