Assumptions Used in Arriving at Fiscal Estimate

This bill directs the Department of Administration to coordinate with the Wisconsin Economic Development Corporation, the Wisconsin Housing and Economic Development Authority, the Departments of Workforce Development and Revenue, local governments, local economic development organizations, and any other person DOA considers appropriate, to publish information relevant to small businesses on a clearinghouse website.

No additional funding for staffing or administration is made available through this proposal. Thus, adding these requirements to the corporation may reduce resources available for other activities and programs.
