DPI 10/30/2023

LRB Number	23-4001/1	Introduction Number	SB-0496	Estimate Type	Original
<b>Description</b> paid preparation time for teachers					

### Assumptions Used in Arriving at Fiscal Estimate

This bill requires each school board to ensure that a teacher's daily schedule includes self-directed preparation time of at least 45 minutes or the equivalent of one class period, whichever is greater.

Local impact: Indeterminate

It would be the responsibility of each school board to ensure that every teacher's schedule allows for the self-directed preparation time. It would be part of administrative staff time to determine scheduling in order to meet the requirements of the bill. These self-directed preparation times would be absorbed by the school district's existing budget.

### Long-Range Fiscal Implications

This bill has no long-range fiscal implications.
