<b>Description</b> ratification of the agreement negotiated between the State of Wisconsin and the Wisconsin State Building Trades Negotiating Committee, for the 2023-24 fiscal year, covering employees in the building trades crafts collective bargaining unit, and authorizing an expenditure of funds					

**Assumptions Used in Arriving at Fiscal Estimate**

Senate Bill 555 (SB 555) ratifies the contract negotiated between the State of Wisconsin and the Wisconsin State Building Trades Negotiating Committee. The statewide fiscal impact pertains to the wage increases in the fiscal year (FY) 2023-24 agreement for employees in the building trades crafts collective bargaining unit. The total count of state employees in the building trades crafts collective bargaining unit for the FY 2023-24 agreement is 127.0 FTE. The statewide base payroll is \$11,604,488, which is consistent with s. 111.91 (3) (b), Wis. Stats., based on the bargaining unit snapshot of January 1, 2023, for the pay period ending 180 days prior to the end of the previous contract period, with intervening FY2022-23 contractual increases approved after that date built into the base payroll.

Each occupational pay rate included under the building trades crafts bargaining unit is increased by a General Wage Adjustment (GWA) of 4.0%, with backpay to July 2, 2023, and the pay rate for individual trades employees are increased to the new schedule rate. The pay rates for non-represented trades supervisors and project employees are increased in accordance with the 2023-25 Wisconsin State Compensation Plan in connection with contractual pay increases, with backpay to July 2, 2023.

The increased total cost resulting from the pertaining GWAs and Compensation Plan contractual adjustments is equal to \$551,202 (consisting of \$205,607 GPR and \$345,595 for all other fund sources), including salary and fringe benefits at the variable fringe rate.

**Long-Range Fiscal Implications**

All costs contained herein are through the end of FY 2023-24, and do not include the cost to continue in FY 2024-25, which when inclusive of the 26 pay periods is equal to \$551,201.
