Assumptions Used in Arriving at Fiscal Estimate

This bill establishes certain standards related to free speech and academic freedom at University of Wisconsin System institutions and technical colleges. If either the University of Wisconsin system institutions or the technical colleges violate the standards HEAB will be notified. HEAB is then required to with-hold any Wisconsin grant for the University system or the Technical colleges dependent upon the violation. With-holding of the grant for the UW system or the Technical colleges will have a huge impact on the students attending these institutions and, in many cases, will not allow the students to continue the pursuit of their education.
