Description the provision of absentee ballots to nonresident students at the University of Wisconsin System					

Assumptions Used in Arriving at Fiscal Estimate

This bill would require the Board of Regents to provide first-year nonresident students with a notice that includes an application to request an absentee ballot from the student's home state and instructions on how they may complete and submit the absentee ballot in their home state.

The bill also requires the board to develop and implement policies that ensure compliance with the bill, to biennially review the policies for effectiveness and relevance, and to submit an annual report to the legislature detailing the implementation of the bill's provisions.

Long-Range Fiscal Implications

The fiscal impact is indeterminate until guidelines are established for the provisions in the bill.
