

Fiscal Estimate Narratives

DSPS 3/5/2024

LRB Number	23-5081/1	Introduction Number	SB-0805	Estimate Type	Original
Description ratification of the Interstate Massage Compact					

Assumptions Used in Arriving at Fiscal Estimate

This bill ratifies and enters Wisconsin into the Interstate Massage Compact, which provides for the ability of a massage therapist to become eligible to practice in other compact states.

DSPS estimates a total of \$28,400 in one-time costs and \$39,000 in annual costs for staffing and an indeterminate impact for updating IT systems related to implementing the provisions of the bill. The estimated impact of the compact is an additional 130 licenses issued based on 2023 licensing data, a 34% increase in overall annual volume. The estimated one-time staffing need for 0.5 limited term employee is for statutory updates and training, rule promulgation and legal review, site and forms updates, and the associated procurement aspect of integrating systems as part of the compact implementation. The estimated annual need for 0.4 full-time equivalent staff is for license monitoring, processing of records requests, application review, and the estimated intake of 20 complaints annually, resulting in 15 investigations. The one-time and annual estimated costs cannot be absorbed in the currently appropriated agency budget. At the current license initial and renewal fee of fee \$60, an estimated \$7,800 would be potentially generated on a biennial basis.

Long-Range Fiscal Implications
