Description adopting gender-neutral terminology and incorporating gender-neutral marriage and parentage rights					

Assumptions Used in Arriving at Fiscal Estimate

This bill will adopt gender-neutral language across Wisconsin statutes. This bill recognizes same-sex marriage by changing references to "husband," "wife," "father," "mother," etc., to gender-neutral terminology. The bill also recognizes legal parentage for same-sex couples under certain circumstances and adopts gender-neutral parentage terminology.

State impact: No direct impact/Indeterminate

This bill would require state agencies to update internal and external policies and guidance with gender-neutral language where necessary to be reflective of state law. This work would have to be absorbed by existing agency staff (amount of time indeterminate).

Local impact: No direct impact/Indeterminate

This bill would require schools to update policies with gender-neutral language where necessary to be reflective of state law. This work would have to be absorbed by existing school staff (amount of time indeterminate).
