Description grants for the purchase of election supplies and equipment and making an appropriation					

Assumptions Used in Arriving at Fiscal Estimate

Costs to the state will increase by the amount of any new appropriation created by the bill to fund grants to municipalities for the purchase of election supplies and equipment. Municipalities receiving a grant would, of course, receive a fiscal benefit. Additional WEC accounting personnel may also be needed to manage grants, track equipment inventories, and audit the appropriate use of state funds.

Long-Range Fiscal Implications
