2023 Wisconsin Act 22 [2023 Assembly Bill 323]

Ratification of WSAA Collective Bargaining Agreement

2023 Wisconsin Act 22 ratifies the 2022-23 contract that was negotiated between the State of Wisconsin and the Wisconsin State Attorneys Association on behalf of covered attorneys in the professional legal collective bargaining unit. This generally includes classified attorneys in executive branch agencies, and does not include assistant district attorneys or assistant state public defender attorneys. The Joint Committee on Employment Relations unanimously approved the agreement for the professional legal collective bargaining unit, and recommended ratification of the agreement by the Legislature.

The agreement for the classified attorneys provides a general wage adjustment increase of 4.7 percent that corresponds to the increase in the Consumer Price Index that applied on July 1, 2022.

The general wage adjustment takes effect the first pay period following ratification. The general wage adjustment includes a lump sum payment for employees in pay status on the date the adjustment takes effect for hours in pay status from January 1, 2023, to enactment of the adjustment.

The agreement does not address any other factor or condition of employment.

Effective date: July 21, 2023
