1 **AN ACT** *to repeal* 20.867 (3) (v); and *to create* 20.435 (1) (bd) of the statutes;

3 funding for grants to support hospital emergency department services, and
4 making an appropriation.

Analysis by the Legislative Reference Bureau

This bill transfers \$15,000,000 from the state building trust fund to the general fund and eliminates a \$15,000,000 appropriation for a Building Commission grant in the 2021-22 fiscal year that was not used by a health system for the purpose of expanding psychiatric bed space. The bill increases the appropriation to the Joint Committee on Finance for supplemental appropriations by \$15,000,000 for fiscal year 2023-24 for grants to support hospital emergency department services.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
