***Analysis by the Legislative Reference Bureau***

Current law creates an Agricultural Education and Workforce Development Council in the Department of Workforce Development. Current law specifies that one of the members of this council is the chancellor of the University of Wisconsin-Extension or his or her designee.

This bill clarifies the description of this member as the dean of the University of Wisconsin-Madison Division of Extension or his or her designee, consistent with the University of Wisconsin System's restructuring approved by the Higher Learning Commission in June, 2018.
