

State of Wisconsin
2023 - 2024 LEGISLATURE

LRB-2661/1
MCP:emw

2023 ASSEMBLY BILL 419

September 19, 2023 - Introduced by Representatives OLDENBURG, TRANEL, MURSAU, NOVAK, O'CONNOR, SCHMIDT, SUBECK and KITCHENS, cosponsored by Senators COWLES, BALLWEG and CABRAL-GUEVARA. Referred to Committee on Agriculture.

1 **AN ACT** *to create* 93.95 of the statutes; **relating to:** creating an online,
2 interactive carbon calculator for farmers.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Agriculture, Trade and Consumer Protection to develop and maintain, or contract with a third party to develop or maintain, an online, interactive carbon calculator that can be used by farmers in this state to determine the carbon emissions produced directly and indirectly from their agricultural activities. Information submitted by a user of the carbon calculator, and a user's calculated carbon emissions, must be kept confidential and are not subject to open records requests.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 93.95 of the statutes is created to read:

4 **93.95 Online carbon calculator for farmers.** The department shall develop
5 and maintain an online, interactive carbon calculator that may be used by farmers
6 in this state to determine the carbon emissions produced directly and indirectly from

ASSEMBLY BILL 419**SECTION 1**

1 their agricultural activities. The calculator shall allow users to input different
2 factors including, at a minimum, soil type, soil history, tillage systems, crops planted,
3 fertilizer and pesticide use, harvest and storage systems, types of livestock, use and
4 distribution of manure, product delivery systems, conservation measures in place,
5 and types of vehicles used. The department may contract with a third party to
6 implement this section. The department and any contracted third party shall keep
7 confidential all information provided by users and users' calculated carbon
8 emissions. Information provided by a user and a user's calculated carbon emissions
9 are not subject to the right of public inspection and copying under s. 19.35 (1).
