Analysis by the Legislative Reference Bureau

The bill creates a new grant program administered by the Department of Public Instruction and available to school districts and operators of independent charter schools to reimburse the cost of "Grow Your Own" programs. Under the bill, Grow Your Own programs include high school clubs that encourage careers in teaching, payment of costs associated with current staff acquiring education needed for licensure, support for career pathways using dual enrollment, support for partnerships focused on attracting or developing new teachers, or incentives for paraprofessionals to gain licensure. The bill appropriates \$5,000,000 in fiscal year 2024-25 for this purpose.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
