**ASSEMBLY SUBSTITUTE AMENDMENT 1,  
TO ASSEMBLY BILL 212**

January 15, 2026 - Offered by Representative MCGUIRE.

- 1 **AN ACT relating to:** recognition of the impact of mental health and substance  
2 use disorder prevention organizations.

---

***Analysis by the Legislative Reference Bureau***

The administration of U.S. President Trump sent a letter to mental health organizations and substance use disorder prevention organizations rescinding nearly \$2 billion in grants promised or distributed via the federal Substance Abuse and Mental Health Services Administration, effective January 13, 2026. This bill provides that the Wisconsin Legislature recognizes the life-saving impacts of mental health and substance use disorder prevention organizations have on communities and that the legislature opposes cuts or alterations to grants promised or distributed by SAMHSA for mental health, substance abuse, and suicide prevention, particularly for children.
