10 118.164 (2) Subject to 20 USC 1415 (k) and beginning August 1, 1999, a
11 teacher may remove a pupil from the teacher’s class if the pupil violates the code of
12 classroom conduct adopted under s. 120.13 (1) (a) or is dangerous, unruly or

1 disruptive or exhibits behavior that interferes with the ability of the teacher to
2 teach effectively, as specified in the code of classroom conduct. The teacher shall
3 send the pupil to the school principal or his or her designee and notify the school
4 principal or his or her designee immediately of the reasons for the removal. In
5 addition, the teacher shall provide to the principal or his or her designee within 24
6 hours after the pupil's removal from the class a written explanation of the reasons
7 for the removal. A teacher may not remove a pupil who is a child with a disability,
8 as defined in s. 115.76 (5), from the teacher's class if the pupil's individualized
9 education program, as defined in s. 115.76 (9), states that the behavior that is the

11 subsection for that behavior is not appropriate."

12 **3.** Page 2, line 17: after "(2) or (4)." insert "Notice need not be provided under
13 this subsection if the behavior that would otherwise trigger the notice is conducted
14 by a child with a disability, as defined in s. 115.76 (5), who has an individualized
15 education program, as defined in s. 115.76 (9), in effect that states that a behavior
16 that is consistent with the child's disability is likely to be a behavior for which a
17 pupil may be removed from a teacher's class under this section, except that notice
18 shall be provided under this subsection if the result of the behavior is a violent
19 incident."
