## Fiscal Estimate Narratives

DOT 7/23/2025

LRB Number	<b>25-2777/1</b>	Introduction Number	<b>AB-0174</b>	Estimate Type	<b>Original</b>
<b>Description</b> transmission facilities; installation of large wind energy, large solar energy, and battery energy storage systems; installation of light-mitigating technology systems; and prioritizing nuclear energy resources					

### Assumptions Used in Arriving at Fiscal Estimate

Under current law, the Department of Transportation provides permits to structures that exceed a certain height limit and are required to have lighting fixtures installed for aviation safety purposes. The proposed bill does not modify the Department's duties under current law and therefore will not have a fiscal impact upon the Department.

### Long-Range Fiscal Implications

It is anticipated the proposed bill will have no impact to the Department's permitting operations.
