## Fiscal Estimate Narratives

LRB Number	25-3034/1	Introduction Number	AB-0244	Estimate Type	Original
<b>Description</b> posting the child abuse and neglect reporting hotline in school buildings					

### Assumptions Used in Arriving at Fiscal Estimate

This bill requires a school board, the operator of an independent charter school, or the governing body of a private school participating in a parental choice program or in the Special Needs Scholarship Program (SNSP) to post in a conspicuous location in a public area of each school building a sign that contains the telephone number for the local county or state agency that is responsible for receiving reports of, and conducting investigations regarding, child abuse or neglect (LRB).

Local: None or minimal fiscal effect

Printing and posting a sign in each school building will impart a negligible, if any, burden on school boards, operators of independent charter schools, and governing bodies of private schools participating in a parental choice program or the SNSP. This responsibility would be undertaken by existing staff.
