Description prohibiting funding for health services for unlawfully present individuals					

Assumptions Used in Arriving at Fiscal Estimate

The bill prohibits any funds of this state, any county, village, town, long-term care district, any subdivision of this state, or any subdivision or agency of any county, city, village, or town and any federal funds passing through the state treasury from being authorized for or paid to any person to subsidize, reimburse, or otherwise provide compensation for any health care services for any individual who is not lawfully present in the United States.

The local fiscal estimate is indeterminate as the department does not have detailed health care service expenditure data. In 2023, local governments reported \$2.45 billion in health and human services expenditures.

The department does not have any administrative costs.
