Description jurisdiction over juveniles on federal enclaves					

Assumptions Used in Arriving at Fiscal Estimate

Senate Bill 253 (SB 253) would clarify that the State of Wisconsin retains concurrent jurisdiction over matters involving juveniles who are alleged to be delinquent or in need of protection or services and who are located on land ceded to the federal government for federal use. The bill would further require the governor to accept retrocession of jurisdiction, when offered by an appropriate federal authority, for such matters involving juveniles.

The District Attorneys are responsible for prosecuting criminal cases, handling state forfeiture actions and traffic violations, cooperating on welfare fraud investigations, as well as participating in John Doe investigations, attending grand jury proceedings, representing the state in criminal appeals, initiating or appearing in civil actions and special proceedings, and enforcing various legal provisions, as authorized and prescribed under Chapter 978, Wis. Stats.

This bill may result in a slight increase in juvenile referrals from federal enclaves due to the expanded state jurisdiction. However, given the relatively small population residing on these enclaves, such cases are expected to be rare. As a result, the District Attorneys expect any additional workload to be absorbable within existing resources and do not anticipate a substantial fiscal impact as a result of SB 253.
