

Fiscal Estimate Narratives

DCF 6/4/2025

LRB Number	25-1859/2	Introduction Number	SB-0259	Estimate Type	Original
Description the notice of an investigation of child abuse or neglect or unborn child abuse provided to appropriate authorities of the U.S. Department of Defense					

Assumptions Used in Arriving at Fiscal Estimate

This bill would require agencies to notify the US Department of Defense of investigations of child abuse or neglect when the alleged maltreater is a member of the armed forces. Information on CPS cases is stored and tracked within the eWiSACWIS system.

eWiSACWIS does not currently have a method for storing and tracking whether potential maltreaters are members of the armed forces. Adding this capability by adding a checkbox to the assessment screening would cost approximately \$4,000. This could be absorbed within existing agency resources by lowering the priority of other eWiSACWIS enhancements.
