Description right to bodily autonomy, elimination of certain abortion-related regulations, and coverage of abortion under certain health care coverage plans					

Assumptions Used in Arriving at Fiscal Estimate

This bill makes changes to the right to bodily autonomy, elimination of certain abortion-related regulations, and coverage of abortion under certain health care coverage plans. It also eliminates existing criminal charges.

The elimination of these criminal penalties will slightly reduce the number of cases filed with the court system. The reduction is unlikely to generate significant fiscal savings.

Long-Range Fiscal Implications
