HEAB 7/23/2025

LRB Number	25-3575/1	Introduction Number	SB-0369	Estimate Type	Original
Description prohibiting the state from sharing data with the federal government that contains personally identifiable information if the data is not first masked or otherwise anonymized and authorizing a civil cause of action for negligent violations of that prohibition					

Assumptions Used in Arriving at Fiscal Estimate

Under this bill, except as specified below, no state agency or other body in Wisconsin state government, including the legislature and the courts, may share with the federal government data containing personally identifiable information unless the data is first masked or otherwise anonymized. Under the bill, any person who negligently violates that prohibition is liable to any person injured as a result of the violation for actual damages to that person, exemplary damages of not more than \$1,000, and costs and reasonable actual attorney fees. At this time, there is not enough information to determine if there would be additional cost.
