Description						
prohibiting the state from sharing data with the federal government that contains personally identifiable information if the data is not first masked or otherwise anonymized and authorizing a civil cause of action for						
negligent violations of that prohibition						

Assumptions Used in Arriving at Fiscal Estimate

Senate Bill 369 prohibits any state agency or other body in Wisconsin state government from sharing with the federal government data containing personally identifiable information unless the data is first masked or otherwise anonymized.

Long-Range Fiscal Implications

The proposed legislation would not have a fiscal impact on the Wisconsin Technical College System Board or the Wisconsin Technical College Districts.
