### Assumptions Used in Arriving at Fiscal Estimate

Under current law, state and local registrars may not disclose information contained in certain vital records if the record involves an event that occurred after September 30th, 1907. This proposal updates the provision to bar disclosure if the event in the record occurred on or after January 1 of the year that is 100 years prior to the date of the request. The Department estimates that the resulting workflow changes will not require any additional resources, and as such, the proposal has no fiscal effect.
