Assumptions Used in Arriving at Fiscal Estimate

The department estimates no fiscal impact under this bill. While, at this time, there is no statute at s. 108.14 (10m), 2025 Assembly Bill 652 proposes to create s. 108.14 (10m) with specific identity proofing requirements which are in line with the department's current practices. The provision allows General Purpose Revenue funds currently allocated for UI drug testing to be used for costs related to identity verification if federal funding is no longer sufficient to cover these costs. The annual costs supported from s. 20.445(1)(aL) will not increase as a result of this provision.
